'The Best of Ten'

The road was long, sometimes narrow, sometimes rocky, and sometimes she lost sight of the guideposts along the way. Charles B. Aycock High School has traveled this road ever determined, ever diligent for the past ten years. These ten years have seen good times as well as bad, fun times as well as sad, and, most of all, times which will always be cherished with the memories of this year, "The Best of Ten" at Charles B. Aycock High School. Now, however, even though Charles B. Aycock High has come to the end of one road, she also comes to an "intersection" in the roads of time. From here, Charles B. Aycock High has a new road - the long, winding road of the unpredictable future.

In Memoriam

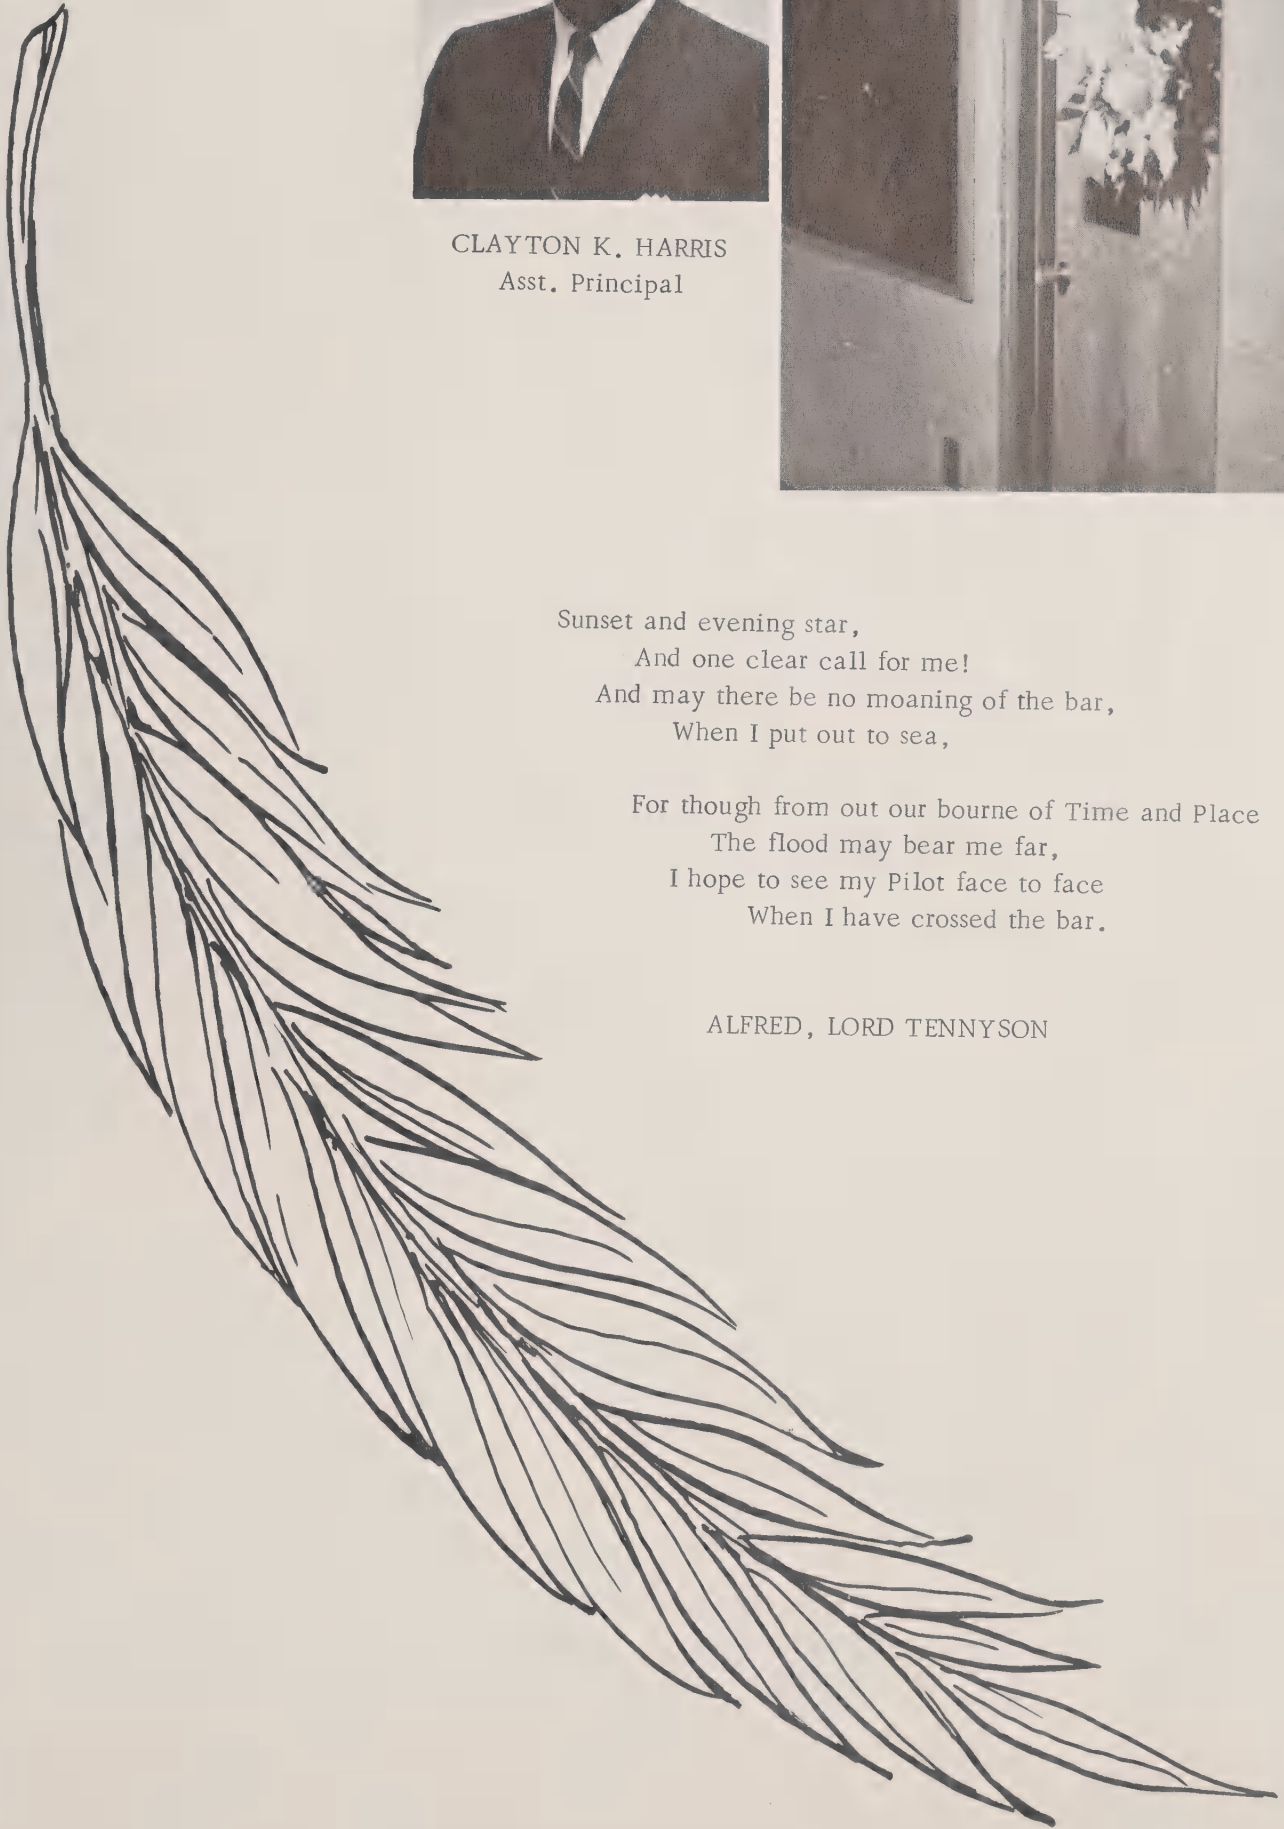

CLAYTON K. HARRIS
Asst. Principal

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea,

For though from out our bourne of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crossed the bar.

ALFRED, LORD TENNYSON

Head Football Coach, DAVE McCLENNY

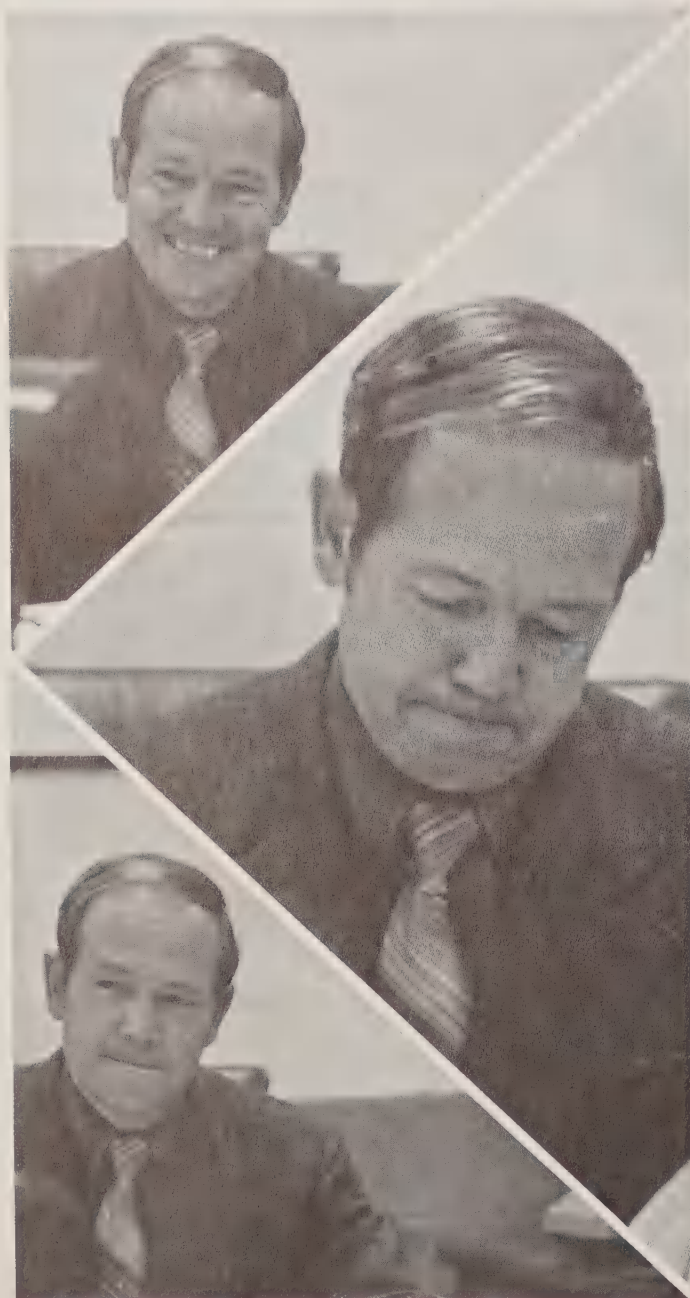

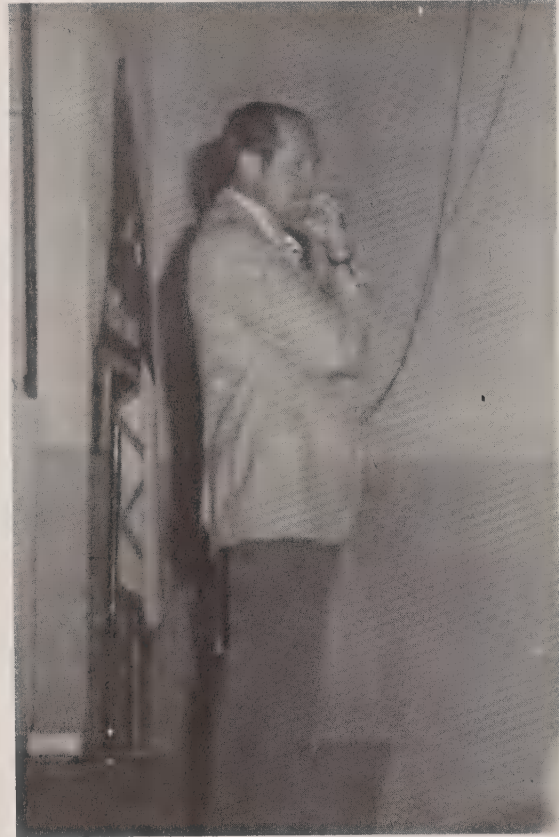

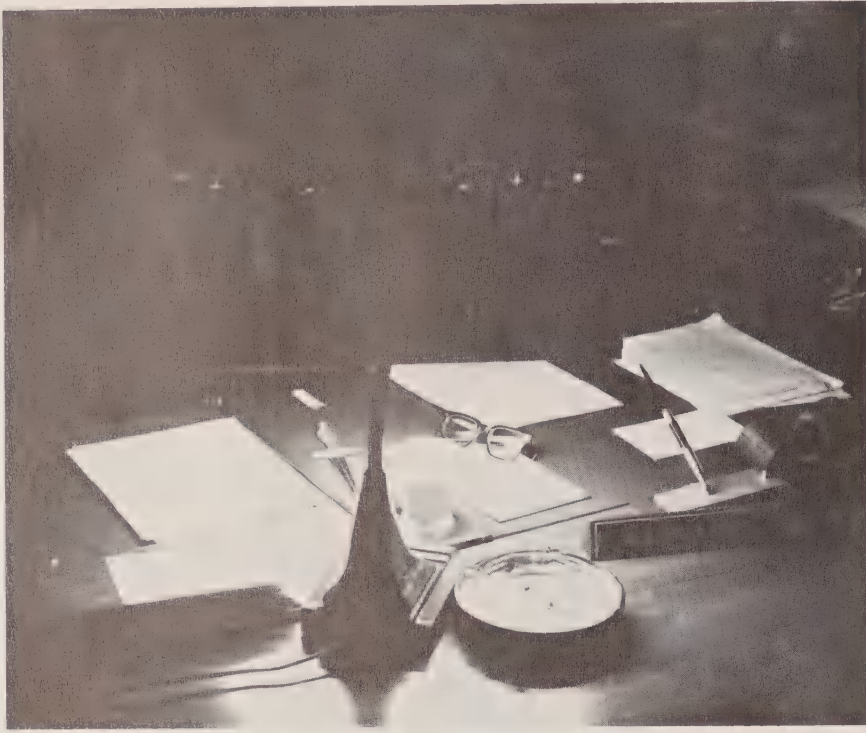

ses Appreciation

He begins work in early August, and continues through the entire year into early summer. The value of his guidance cannot be expressed in games won or points scored. It can only be expressed in one's heart and mind through the insight and knowledge gained from our relations with him.

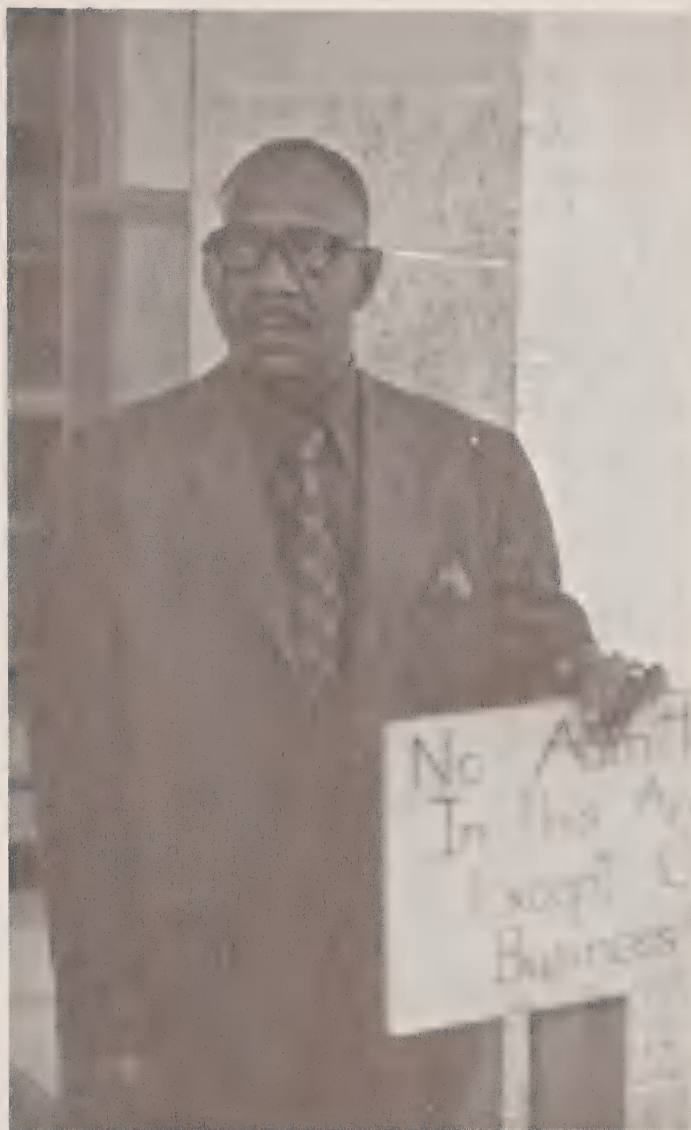

Because of his friendship and guidance through the years, we, the C.B.A. annual staff, dedicate to you, Coach Dave McClenney, the GOVERNOR, 1971.

graduation

Tomorrow, and tomorrow, and tomorrow
 Creeps in this petty pace from day to day
 To the last syllable of recorded time;
 And all our yesterdays have lighted fools
 The way to dusty death. Out, out, brief candle!
 Life's but a walking shadow, a poor player
 That struts and frets his hour upon the stage
 And then is heard no more. It is a tale
 Told by an idiot, full of sound and fury,
 Signifying nothing. Shakespeare

Mr. Eugene Roberts - The Eugene Roberts Citizenship Award for Journalism.

The 1970-1971 annual staff presented to Mr. J. K. Thompson a plaque of gratification.

The student body presented a memorial plaque to go in their home to Mrs. Eleanor Harris and daughter, Valorie.

Mr. Craft conducted the exercises.

Katherine Radford leads in one segment of the seniors.

The seniors leave for their day.

Senior Day - practicing for graduation and baccalaureate exercises, and the juniors moving over to take the seniors' position.

"There go the ships," Mrs. Lela Sills Garner, retired Friends minister and baccalaureate speaker, used this verse from Psalms and addressed the "launching ships" of the class of 1971. "Always have a port in sight, a chart, a cargo, and a Pilot. With this equipment, you beautiful seniors, you will never fail."

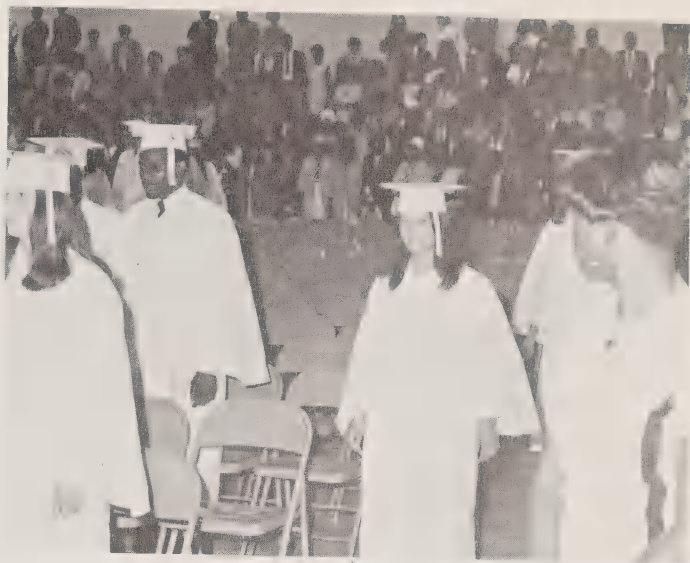

MRS. LELA SILLS GARNER

Mr. Craft gives Mike specific instructions.

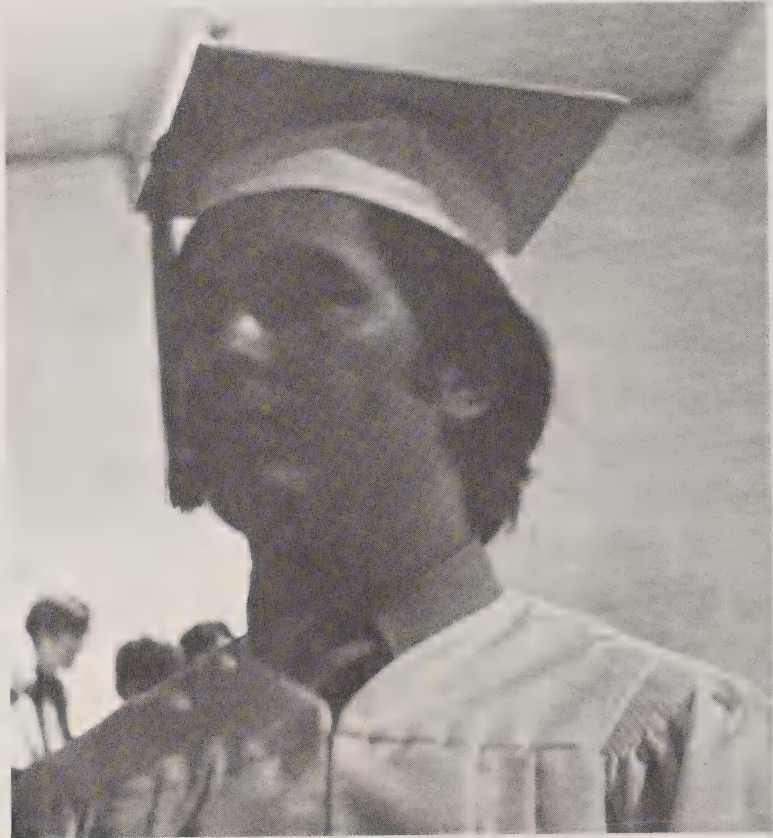

A Fitting Climax to Aycock's First Decade — Graduation '71

Dr. Albert G. Edwards was graduation speaker.

Vietnam, whites, blacks, National Guard, Nixon, homecoming, hair, time, pornography, civil disobedience - words of the year 1970-71. Seventy-one years since the last turn of a century and twenty-nine years until the next. Nine short months in the thousands of years of time. The happy times, sad times, and time of tedious strain are all encompassed in these nine months.

We, throughout this GOVERNOR, have attempted to cram into one book - one short book - the record of this event-packed year.

The 1971 GOVERNOR has been an experience for us. The task took us many long hours, much patience, and will power. Our yearbook is now finished, but we will always remember this year, and our staff and advisors.
